Flexible Work & Home Office Guidelines

Reference: HR-GUIDE-COVID-2021

Historical Note

These guidelines are introduced as temporary measures during the COVID-19 pandemic to ensure business continuity and rapid transition to remote work. Its provisions are intended to be interim and may conflict with current Workplace policies.

Work Location

Employees may work remotely from any location globally with manager approval.

Equipment & Reimbursements

- Personal laptops may be used temporarily if security software is installed.
- One-time home office reimbursement of up to **USD 1,200** was permitted.
- No monthly stipend is provided.
