Workplace & Flexible Work Policy

Policy ID: HR-WRK-012
Version: 3.0
Effective Date: 1 March 2025
Owner: Human Resources

Policy Intent

Apex Global is committed to providing a productive, safe, and flexible workplace environment that supports both on-site and remote employees. This policy consolidates prior remote work, office attendance, and workplace support guidelines into a single framework intended to promote consistency, employee well-being, and operational effectiveness.

This policy replaces earlier standalone Remote & Hybrid Work policies unless otherwise stated.

1. Scope

This policy applies to all regular full-time and part-time employees of Apex Global. Certain roles may be subject to additional workplace requirements due to regulatory, operational, or security considerations.

2. Workplace Models

- **On-site:** Employees work primarily from an Apex Global office location.
- **Hybrid:** Employees split time between an Apex Global office and a remote location.
- **Remote:** Employees work primarily from a remote location approved by their manager and HR.

3. Eligibility & Approval

- Employees must have a minimum of 6 months of service to be eligible for hybrid or remote arrangements.
- Participation is subject to manager approval and periodic review.

4. Location Requirements

- Work must be performed from the employee's country of employment unless a temporary exception is approved by HR.
- Employees are responsible for maintaining a suitable and safe work environment.

5. Equipment & Technology

- Apex Global provides a standard company-issued laptop and required peripherals.
- Employees may not use personal computers for Apex Global work, except as explicitly approved by IT.

6. Work-from-Home (WFH) Equipment Reimbursement

To support effective remote and hybrid work, Apex Global offers reimbursement for certain home office equipment.

6.1 Eligible Expenses (One-Time or Every 3 Years)

- Office chair: up to USD 500
- External monitor(s): up to USD 400 total
- Keyboard, mouse, docking station: up to USD 250

6.2 Ongoing Allowance

- Monthly home office stipend: **USD 50** (internet and utilities)

6.3 Reimbursement Conditions

- Receipts are required for all reimbursed items.
- Equipment remains the property of the employee.
- Reimbursements must be submitted within 60 days of purchase.

7. Security & Compliance

- Employees must comply with all Information Security policies.
- Public Wi-Fi use requires VPN connection.
